Founded in 1883, the **Capital City Club** has been host to competitive golf for nearly a century. More than 30 city, state, and national level golf tournaments have been held at Capital City club including PGA Tour and LPGA Tour events.

The Brookhaven Country Club site was leased in 1913 and purchased in 1915. At that time, the golf course was increased from nine to eighteen holes. The present Brookhaven clubhouse was erected in 1928. In 2009, the course was redesigned by architect Bob Cupp.
